ABOUT THE DEPARTMENT

The Department finds itself at the epicenter of where the brilliant minds of this generation are nurtured and developed by a highly qualified and learned class of faculties. DoMS students get this opportunity to endeavor in this professional environment and shape their ideas into careers. The institute also thrusts upon an environment of entrepreneurship. This is closely what our students do in Incubation, Innovation & **Entrepreneurship Cell (IIEC)** business incubator situated within NIT Hamirpur campus. Here our students can relate their management skills at central NIT level via participating in Hill'ffair (Annual Cultural Fest), Annual SPIC MACAY activity, Nimbus (Annual Technical Fest), Lalkaar (Annual Sports meet) and Management fests organizing committees that work at a scale which have an access to sufficient funds and logistical. The opportunities are seamless when it comes to executing new ideas. For that purpose, one could collaborate with 14 diverse academic departments for a project or help in a live project, call up alumni working in a wide array of fields and academia for help and advice, talk to startups that are out of the incubation stage and doing well for developing a case study for an online competition, do live projects and consultancy work within NIT Hamirpur campus.
